- D) the genomes of these fish are very similar
- E) neurogenesis is still a very important process in brain development and evolution

GRAMMAR

1. - 20. sorularda, parçalarda numaralanmış yerlere uygun düşen sözcük ya da ifadeyi bulunuz.

Weightlifting might look like it is (1)---- about brute strength, but technique and concentration are also vital. The aim of the game is simple – to lift more weight than (2)----. For a lift to be successful, weightlifters must support the weight above (3)---- head, with the arms straight. A good lift is signalled by flashing a white light, and an illegal one by a red light although the decision can be overturned by a jury. If two lifters finish the competition with the same total, then (4)---- with the lower body weight is (5)---- the winner.

1.
 - A) the other
 - B) some
 - C) all
 - D) each
 - E) none
2.
 - A) nobody else
 - B) someone
 - C) other
 - D) another
 - E) anyone else
3.
 - A) his
 - B) our
 - C) its
 - D) their
 - E) her
4.
 - A) one another
 - B) the one
 - C) the others
 - D) ones
 - E) the ones
5.
 - A) approved
 - B) declared
 - C) supported
 - D) affected
 - E) distinguished

Researchers have estimated that the composition of (6)---- early humans adequately met the biological needs of the human genome. There are (7)---- nutritional characteristics of their diet, which is strikingly different from our modern diet. In addition to a high amount of soluble fibre, the diet of early humans provided (8)---- starch, and (9)---- refined sugar, salt, or oil. However, although humans may have included the consumption of (10)---- animal foods out of convenience and for survival due to scarcity of plant foods, there is no evidence that the general population of early humans ate very large quantities of animal foods.

6.
 - A) another
 - B) ----
 - C) much of
 - D) an
 - E) most of
7.
 - A) a little
 - B) many a
 - C) whole
 - D) several

 - D) a large number of
 - E) few
10.
 - A) a lot
 - B) none
 - C) plenty
 - D) both
 - E) some

While (11)---- people claim to have seen the Loch Ness Monster, there are others who believe the legend is merely a gathering of (12)---- water as it spins around. Depending on where you live, you may encounter the event of a "water devil", which is a small whirlwind that can appear over (13)---- body of warm water, where the water sucks up into a funnel-like creation. When a water devil gets going, it begins to spin about. If you are close enough, you may hear the sound of bubbling or a hissing accompanying (14)---- presence. (15)---- the appearance and the sounds it produces perfectly match the details found in the descriptions of eyewitnesses.

E) Many

Herbal teas are known for (16)---- soothing and healing effects. They have been used for centuries to heal and provide (17)---- health benefits by detoxifying the body, cleansing the colon and calming anxiety. Second only to water, tea is the most frequently consumed drink worldwide. (18)---- types of teas, including green, black and red teas, have antioxidants. (19)---- antioxidants are thought to provide the body with protection against free radicals. Antioxidant potential levels of teas are often higher than (20)---- of many vegetables and fruits. Herbal teas are considered to be one of the most satisfying and helpful types of herbal supplementation.

GRAMMAR

1. - 12. sorularda, verilen cümleye anlamca en yakın cümleyi bulunuz.

1. I failed to answer most of the questions just because I was nervous.

- A) My nervousness is one of the reasons why I couldn't answer most of the questions.
- B) I was nervous for most of the time, which is why I failed to answer the questions.
- C) The reason why I got very few questions right was my nervousness.
- D) The reason for my anger after the exam was that I gave wrong answers to most of the questions.
- E) I wouldn't have been that nervous if I had been able to give right answers to more questions.

2. You know well that you only have yourself to blame for all that.

- A) What has happened is solely your own fault, and you know well you could have prevented it.
- B) As it may also be clear to you, there is no one whom you can put the blame on.
- C) All that is only your fault, and you know that well.
- D) There is no way of disproving your share in what has been going wrong so far.
- E) It was a waste of time trying to put the blame of all that on someone else, and you know that well.

3. Every single seat in the theatre was reserved for three consecutive days.

- A) Almost all the seats in the theatre have been booked for the next three days.
- B) Except for one, each of the seats in the theatre was sold for three days.
- C) For three days, we could find no free seats for the play except for a single one.
- D) Except for the last three days, there were some seats in the theatre that could be booked.
- E) Not a single seat in the theatre was vacant for three days in a row.

4. Both of the flats on the second floor have been vacant for nearly a year.

- A) It has been at least a year since both of the flats on the second floor were rented.
- B) Neither of the flats on the second floor have been vacant for the last year.
- C) There haven't been any people living in either of the flats on the second floor for almost a year.
- D) It was around a year that either of the flats on the second floor had tenants in them.
- E) All but the two flats on the second floor have had tenants in them in the last year.

5. Neither my mother nor my father is willing to allow me to go on holiday by myself.

- A) My mother and father don't object to my wish to go on holiday on my own.
- B) As my parents are worried about me, I'm not allowed to go on a holiday on my own.
- C) Both my parents are reluctant to let me go on holiday on my own.
- D) I don't expect my parents to let me go on holiday all by myself.
- E) My mother, unlike my father, is not willing to let me go on holiday all by myself.

6. This book makes physics easy enough for any ordinary high school graduate to understand.

- A) No ordinary high school graduate will find this physics book easy enough to understand.
- B) This physics book isn't easy enough for an ordinary high school graduate to understand.
- C) With the help of this book, every ordinary high school graduate can understand physics.
- D) Few high school graduates will find this physics book too hard to understand.
- E) The best way for a high school graduate to learn some physics is to read this book.

7. The completion of this construction depends on approximately another two thousand dollars.

- A) The total amount of money spent on this construction is nearly two thousand dollars.
- B) An additional amount of two thousand dollars can hardly make a difference in the time of the completion of the construction.
- C) The construction is unlikely to be completed even if we can find an additional amount of two thousand dollars.
- D) This construction can be completed if we spend this additional amount of two thousand dollars reasonably.
- E) This construction will be completed only if an additional amount of roughly two thousand dollars is found.

8. Much has been done to prove this theory and my approach is no different from them.

- A) The theory has been proved by means of many approaches and mine is just one of them.
- B) Many people have made contributions to prove the theory, and I intend to do the same through my approach.
- C) My approach to proving this theory is the same as many other previous approaches.
- D) Similar to my own approach, some other approaches too have tried to prove the theory.
- E) This theory has required many things to be done, including my approach, so that it can be proved.

9. Whatever others might think about him, my brother is the favourite guitar player for many.

- A) According to many people, my brother's guitar music is not understood by some others.
- B) Many people have enjoyed listening to my brother play the guitar, but there are others who have never listened to him.
- C) Some people do not favour my brother as a guitarist, but this does not interest some others for whom he is the favourite one
- D) Many people's favourite guitar player is my brother although there are others who think differently.
- E) While some people enjoy listening to my brother's music, many others do not favour him as a guitarist.

10. One can use all the functions of any programme if either the keyboard or the mouse is functional.

- A) To be able to use this programme, it is enough if either the keyboard or the mouse is functional.
- B) It is possible to use each of the functions of every programme with only the keyboard or the mouse if either device is functional.
- C) To get one of these programmes running, you need to have both the keyboard and the mouse attached to your computer.
- D) The keyboard can actually simulate the functions of the mouse, so it should be enough to use any programme.
- E) If you have neither the keyboard nor the mouse attached to your PC, you can't get the programme running.

11. Everybody can make mistakes, but my parents exaggerate any mistake I make!

- A) It is possible for anyone to make mistakes, but my parents overstate every single mistake that I make!
- B) My parents always mention my mistakes, but no one can be free from making mistakes!
- C) Everyone can make mistakes sometimes, even my parents, who choose to see my mistakes only!
- D) My parents always overemphasise my mistakes and forget that nobody can avoid making mistakes.
- E) Nobody can escape from making mistakes, but my parents tend to see my mistake only!

12. As long as both sides adhere to all its terms, there is no reason why the agreement should not remain valid.

- A) The agreement remained valid during the time both sides complied with its terms and conditions.
- B) We don't know why the agreement didn't remain valid despite the efforts of both sides.
- C) Although both sides adhered to the terms, for some reason the agreement didn't remain valid.
- D) The agreement will remain valid unless either side violates any of its terms.
- E) If all the sides stick to all the terms, the agreement should remain valid forever.

- E) there are wonderful facilities in our summer resort

12. The EU Council offered member countries a number of financial packages ----.

- A) experience has shown that no single package can be a remedy
- B) several of them, though, have been developing their own projects
- C) but, at the same time, stated that each was open to revision
- D) who are required to comment on them by the end of this month
- E) whose finance department consists of representatives from these countries

13. For anyone not proficient in physics, theoretical physics may by no means be easy to comprehend ----.

- A) but they may even find it totally useless
- B) and it does not seem to serve any purpose, either
- C) so even physicists themselves can feel confused at times
- D) that deals with employing mathematical models and abstractions
- E) who is accustomed to believing whatever there is before their eyes

14. ----, but few will be remembered in the next decade.

- A) Nobody cares about what future will bring
- B) People in this country choose to solve their problems themselves
- C) Some argue that not everything is ready for the meeting
- D) Many singers have gained fame in the music market
- E) The government has spent so much money recently

15. - 16. sorularda, verilen cümleye anlamca en yakın cümleyi bulunuz.
(2x6=12 puan)

15. It is not uncommon for some who are at their ideal body weight to seek additional weight loss for various reasons.

- A) Some people with ideal body weight try to lose some more for a number of reasons.
- B) No one is really happy with their fitness level, so people keep trying new diets all the time, whatever the reason is.
- C) There are some people who can never get slim enough for some reasons, so they keep trying to lose extra weight.
- D) Though not common, there are some who always try to lose weight with the aim of achieving the perfect body weight.
- E) Being at their ideal weight is not enough for some who have always been looking for the best method for losing weight.

16. In case of a failure in even one of the vital organs, the whole body will soon stop functioning.

- A) All the vital organs need to work in harmony for the whole body to work properly.
- B) That the body has stopped to function is because all the vital organs have ceased to work.
- C) There is one vital organ which causes the whole body to stop working if it fails, even if the others don't.
- D) Even if only one vital organ ceases to work properly, it won't be long before the whole body fails.
- E) It won't be long till all vital organs die too when the body stops functioning.
